COWL POCKET
ZINNIA

INSTRUCTIONS

YOU WILL NEED:

- *Zinnia Pattern*, by Colette Patterns
- Large paper for tracing
- Clear tape
- Pencil or pen
- Ruler

Complete the steps below before you begin sewing the rest of the Zinnia skirt!

DRAFT POCKET

1. On the skirt front of version 1 trace the shape of the pocket piece as shown left. Leave the guidelines on your pattern piece to trace onto your fabric later.

2. Copy the solid red guideline onto your traced pocket piece as shown.
3. Draw two slashlines as shown.

4. Slash along the lines as shown, slashing to but not through the curved edge of the pocket.
5. Spread the pieces apart as shown.

6. Retrace the pattern piece.
7. Add $\frac{1}{4}$ " seam allowance.
8. Add a bias grainline.

1. Trace the pocket placement markings onto your fabric.
2. Cut 4 pocket pieces from your pattern pieces.
3. With right sides together, stitch two of the pocket pieces together. Begin at the side seam edge of the pocket, stitch along the top, pivot and stitch around the curved edge of the pocket. Leave the side seam of the pocket open.

4. Turn the pocket right side out. Press.
5. Topstitch along the top edge of the pocket.

6. Place the pocket between the guidelines on the skirt front. Pin.
7. Baste along the side seam at $\frac{1}{2}$ " to secure the pocket.
8. Edgestitch around the curved edge of the pocket, stitching a small triangle at the top edge of the opening.
9. Sew the skirt according to the pattern instructions.
