

## PATTERN HACK PACK

---

Thanks for downloading the Colette Patterns pattern hack pack!

These instructions are offered freely so that you can get the most out of your patterns. Even if you don't have any of the patterns featured, we hope you'll learn something new that you can apply to another sewing project.

We continually add new hacks to the pack. If you received this pack by signing up, we'll let you know each time we have a new one for you to download. If you don't want to receive these freebies, you can unsubscribe at any time by clicking the link in any of the emails.

If you received this pack some other way but want to get new ones when they come out (again, totally free), be sure to sign up at <http://www.colettepatterns.com/go/pattern-hack-pack>.

We also have many helpful tutorials on [our blog](#), and a weekly sewing tip mailing list called [Snippets](#) that you might like. And be sure to check out our new online sewing magazine, [Seamwork](#).

If you'd like to pick up any of the patterns you see used in this pack, be sure to visit [our shop](#).

Enjoy your sewing time!

Sincerely,  
The team at Colette Patterns
